Brussels, Sheraton hotel Brussels Airport

"BE READY ON TIME"
WORKSHOP CLP & IUCLID 5
9 SEPTEMBER 2010
Sheraton Hotel Brussels Airport

Get acquainted with Chesar! - Training

Reach Centrum is offering a full package on Chesar 1.0, the latest tool developed by the European Chemicals Agency to help companies carry out their Chemical Safety Assessments (CSA) and prepare their Chemical Safety Reports (CSR). [Read more!](#)

A few seats still left for the ReachCentrum Chesar training on 14 July.

Chesar training: 14 July - [REGISTER NOW](#)

IUCLID 5 Joint Submission Member – Training

The ReachCentrum IUCLID 5 training course will provide you with the essentials to compile your own joint submission REACH dossier.

Based on IUCLID 5.2, our training will give you the overview of the key chapters and sections you will need to complete your own Joint Submission dossier. Come with your own data to start preparing your dossier! You will receive support from the trainers up to November 2010. [Read more!](#)
