

Action Plan for 2013 updates of Joint Submissions of Fe and Al-salts and Sodium aluminate

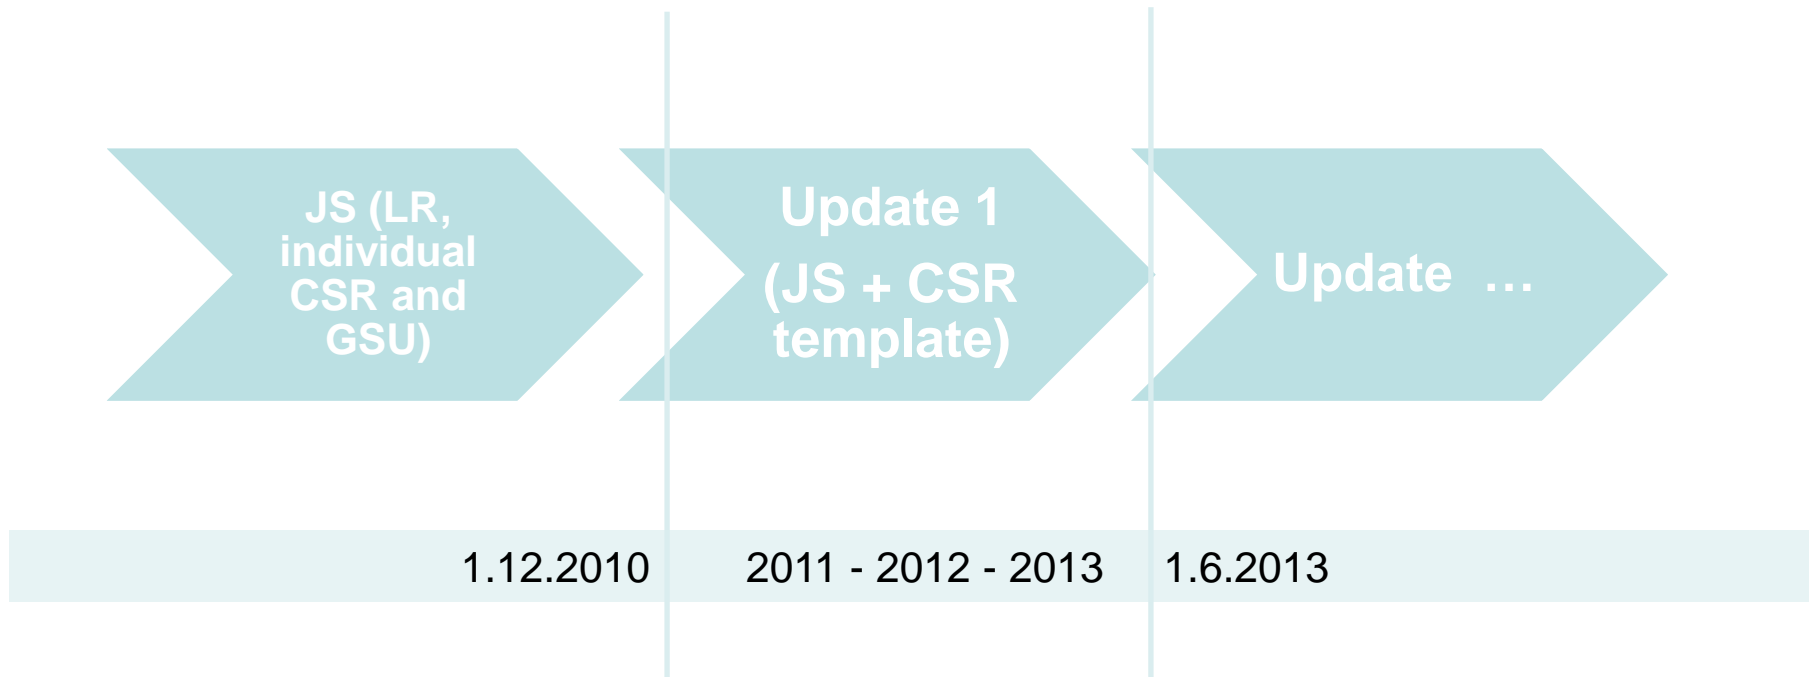

AlFe consortium
18.12.2011

Current planning (as of 18.12.2011)

- 1st questionnaire done Q2/2011 for all 3 sub-consortia
- 2nd questionnaire with LoA prices, SIPs and call for data Q1/2012
- Uses and exposures and possible new data from DU's: June 2012
- Dossier and CSR updating: Q3-4/2012
- JS update submission: foreseen in Q1/2013
- Joining to the current JS via the ReachCentrum LoA Shop is possible already! Contact: Consortium Manager.
- Please note: the ALFE Consortium will provide a common CSR template and Guidance for safe use, which will be verified and submitted individually by each registrant.

Planning maintenance of Joint and Member Submissions

Turning our REACH expertise into practical help for industry
